## STUDENT ATTENDANCE

- Students are expected to be regular in their attendance. Parents/guardian are strongly discouraged from taking the students out of school during term time for extended holidays or other reasons. Permission has to be sought from the Principal for such matters.
- Students who are absent must produce a Medical Certificate or a letter of explanation from parents on the day they return to school.

## Monitor the use of online devices : Set up screen time limits

**Share** your concerns with your child and reach a common understanding on:

- the **time they should turn off** their laptops/phones
- when **device usage should be paused**, such as during mealtimes and family activities
- when and how often they should **take breaks from the screen**, or get up to move about
- **what they can do online**, such as seeking out online entertainment and learning, accessing news, staying connected with peers
- **what they should avoid**, such as chatting with strangers, sharing personal details (home address, phone number), excessive sharing of pictures/videos of themselves

# SCHOOL-HOME PARTNERSHIP

**To support the school's efforts to achieve a greener environment, do remind your child to:**

1. Pack food/snack into a lunch box for snack time/recess time
2. Bring own container if she is buying food home

you
