- Reading Programme

Reading is one of the ways to enhance the learning of MTL. Extensive reading helps to spark students' interest in MTL, which will strengthen their confidence in using MTL to communicate with others. We strongly encourage our students to read a range of materials such as newspapers, magazines, storybooks of different genres, and e-books. We have year-long reading activities such as “Book Talk”, “Reading Passport” , “Reading Challenge” to cater to the different levels.
