Dear Parents and Guardians,

Transport Ambassador Programme by Land Transport Authority (LTA)

LTA is partnering Raffles Girls' Primary School to organise the Transport Ambassador Programme (TAP), which aims to educate students on sustainable transport options and encourage them to embark on greener commutes. The TAP includes a roving exhibition showcase and the Green Commutes Challenge.

The Green Commutes Challenge is a two-week programme which aims to encourage students to embark on Walk, Cycle, Ride public transport (WCR) modes for their daily commute to school. Through the challenge, we hope to ease traffic congestion around the school during peak hours and reduce carbon emissions through environmental-friendly modes of commute.

The Green Commutes Challenge will take place from **18 Aug to 29 Aug** and students will indicate their mode of travel every morning via a voting box placed in school. To assess the effectiveness of the programme, LTA will be measuring traffic flow outside the school on one day pre-challenge and one day during the challenge. Your child/ward will also be required to complete an online questionnaire administered by the school on their commuting habits pre- and post- challenge.

We sincerely request your cooperation in encouraging and supporting your child's/ward's participation in the Green Commutes Challenge. We acknowledge that this may necessitate adjustments to your established routines, and we greatly appreciate your support in ensuring the success of this programme.

Should you have any queries or concerns pertaining to the Transport Ambassador Programme or the Green Commutes Challenge, please do not hesitate to contact us.

We thank you for your support in our collective effort to build a more sustainable and liveable Singapore.

Regards,

Tan Jia Ying | Deputy Manager, Singapore Mobility Gallery, Strategic Engagement & Collaborations
