30 December 2022

Dear Parents / Guardians,

## **P5 Diversity in Cells Workshop @ Science Centre Singapore**

The primary 5 pupils will be attending a workshop on the topic 'Diversity of Cells' at Science Centre Singapore in Term 1. They will explore and observe the amazing building blocks of a whole variety of life forms on this Earth through a microscope and appreciate their significance. They will learn about classification of living things, identify different parts of the compound microscope and know their functions and prepare sample slides using simple staining methods and view them under the microscope.

The schedule for the workshop for the respective classes is as follows:

<b>Date (Day)</b>	10 Jan (Tues)	11 Jan (Wed)	18 Jan (Wed)
<b>Classes</b>	5D, 5F & 5HI	5C & 5G	5AB & 5E

**Time (depart from school) : 1.45pm (Pupils to assemble in the canteen at 1.40pm)**

**Time (arrival in school) : 5.10pm (may vary due to traffic conditions)**

Please make the necessary transport arrangement to fetch your child/ward home from school.

Kindly provide your consent via **Parents Gateway** by **6 January 2023 (Friday)**.

If you require any clarification, kindly contact your child's/ward's science teacher.

Thank you.

In partnership,

Ms Loo Ching Yee (HOD, Science)
