We wish to inform you that the school will be organising 2 learning journeys for your daughter/ward as part of our P6 Learn and Bond @ RGPS Programme.

I. **SCDF Community Emergency Preparedness Programme (CEPP)**

We have made arrangements for our P6 students to attend the SCDF Community Emergency Preparedness Programme (CEPP) at Bukit Batok Fire Station. This programme focuses on core lifesaving skills and essential emergency procedures with an emphasis on practical hands-on engagements. Our students will undergo practical hands-on training on three vital Emergency Preparedness (EP) skills known as the 'Triangle of Life'. This three-pronged skill comprises:

- Basic first aid

Each group will be accompanied by a guide to go through themed rooms that simulate familiar environments. This experience will help

the students to understand themselves better and increase their social awareness of people with visual and other impairments. It also offers a unique and effective platform to encourage and promote an inclusive society.
