Dear Parents/Guardian,

P4 Online Parent-Teacher Meeting (PTM) on 11 January, Thursday

We hope you have had a good break with your child/ward and we look forward to yet another safe and enriching year journeying with you in support of your child/ward in 2024.

The school believes in the importance of maintaining a close partnership with parents/guardian for the growth of our students and has established different channels to communicate with you throughout the year.

We have organised PTM at the beginning of the year to brief you on school matters. Parent-Teacher Conference (PTC) will also be held in the later part of this semester to forge closer home-school partnership. Subject teachers will use Parents Gateway (PG) to update you regularly on subject matters. Form and subject teachers may call or email you to discuss about your child's/ward's growth and progress in school.

The schedule for our upcoming PTM to be conducted virtually on 11 January is as follows:
