Dear Parents/Guardian,

Primary 4 Raffles Experience Day - 28 & 29 April 2025

At RGPS, we aim to develop our students into creative thinkers, lifelong learners and value-based leaders. To achieve these outcomes, we provide additional learning paths and experiences, as we believe in maximising the potential of each RGPS girl. We encourage our students to become active participants in their own education and develop a passion and joy for learning.

We have arranged workshops on Raffles Experience Day for each level to provide deeper learning opportunities. Students will record their learning reflections in their journals to track and take ownership of their development in their areas of interest.

We have designated 28 & 29 April to be Raffles Experience Day for our P4 students. The workshop will be conducted during curriculum time.

Workshop Details

Focus: Art & Craft

Title: ASEAN Day Collaboration

Synopsis:

The workshop offers students an experiential learning platform through engaging activities such as art and craft, traditional games, basic language learning, and the reading of ASEAN folktales. These activities provide valuable opportunities for students to gain deeper insights into the culture and practices of another country.

Through these experiences, we aim to help students develop 21st-century skills, global awareness, and cross-cultural competencies.

Our P4 workshop is fully funded by the MOE Trips for Internationalisation Experience (TIE) fund, meaning students **do not need to make any payment**. This initiative aligns with our commitment to integrating global citizenship education into the curriculum and nurturing globally competent learners.

We will seek parent's/guardian's acknowledgement via Parents' Gateway between **10 March to 15 March**.

We look forward to your support in your daughter's/ward's development in our school.
