Dear Parents and Guardians,

**Transport Ambassador Programme by Land Transport Authority (LTA)**

LTA is partnering Raffles Girls' Primary School to organise the Transport Ambassador Programme (TAP), which aims to educate students on sustainable transport options and encourage greener commuting habits. TAP is a three-part series comprising an Assembly Show, a Roving Exhibition and the Green Commutes Challenge.

**Green Commutes Challenge (6 July – 20 July 2026)**

The Green Commutes Challenge is a two-week programme that encourages students to adopt greener and more sustainable modes of travel for their daily commute to school, such as walking or taking public transport. Through the challenge, we hope to ease traffic congestion around the school during peak hours and reduce carbon emissions by promoting environmentally friendly travel habits.

Students participating in this challenge will receive an Activity Challenge Booklet to record their daily mode of travel and complete short surveys on their commuting habits before and after the challenge. To measure the programme's effectiveness, LTA will also be conducting traffic flow monitoring outside the school on selected days before and during the challenge period.

We would greatly appreciate your support in encouraging your child to take part in the Green Commute Challenge. We understand that this may require some adjustments to your usual routines, and we are grateful for your understanding and cooperation.

Should you have any queries or concerns pertaining to the Transport Ambassador Programme or the Green Commutes Challenge, please do not hesitate to contact us.

Thank you for partnering us in encouraging greener commutes and supporting Singapore's move towards a more sustainable, liveable and car-lite future.

Regards,

**Tan Wee Ting | Assistant Manager, School Outreach, Strategic Engagement & Collaborations**
