

DRUG VICTIMS REMEMBRANCE DAY

A Guide for Parents and Guardians

Observed annually on the third Friday of May, Drug Victims Remembrance Day is an opportunity to pause and reflect on the profound impact of drug abuse. On this day, we remember the far-reaching harm caused by drug abuse, rippling from individuals to their families, and through our society. Let us rally together in support of a drug-free cause, remembering that drug abuse is not victimless — it exacts a heavy toll that is felt deeply by loved ones as well.

To mark this occasion, your child's school will be conducting the following activities:

A. ASSEMBLY PROGRAMME

B. CLASSROOM ACTIVITIES (INCLUDING HANDS-ON ACTIVITY AND CASE STUDY DISCUSSIONS)

We also warmly invite you and your child to continue this conversation beyond the classroom.

Join us at "The Library of Stories, Unfinished" — an immersive national exhibition, organised by the Central Narcotics Bureau, that brings to life the experiences of drug abuse victims and the wider impact drug abuse can have on families and communities.
