1. Parent-Teacher Conference (PTC) on 29 May 2026

The school believes in the importance of maintaining a close working partnership with our parents/guardian for the holistic development of our students. To facilitate regular communication, we have established multiple channels to keep you informed of your child's/ward's progress.

We have organised Parent-Teacher Meetings for all levels at the beginning of the year to brief you on school matters. Subject teachers also used Parents Gateway (PG) to update you regularly on subject matters. Form and subject teachers might have also called or emailed you to discuss your child's/ward's growth and progress in school.

We will continue to leverage on the strong partnership with parents/guardian through our upcoming Parent-Teacher Conference (PTC) on Friday, 29 May 2026, from 8.30am to 3.30pm. All parents/guardian are invited to meet the **Form Teacher** in the upcoming PTC. Please note that students are not required to attend school on that day.

The focus of the upcoming PTC is your child's/ward's wellbeing as the welfare of our students remains of paramount importance. During this conference, you will have the opportunity to engage in meaningful dialogue with the Form Teacher about your child's/ward's holistic development. The Form Teacher is a key figure in our pastoral care system who takes the class for weekly CCE/FTGP lessons, conducts termly check-in surveys and engages in one-to-one dialogue session(s) with your child/ward. The Form Teacher will also share your child's/ward's character strengths and discuss how we can work together to support her social and emotional resilience.

You will receive an invitation via PG from your child's/ward's Form Teacher on **7 May** to book an appointment with him/her via PG from **8 May (8.00am) to 22 May (11.30pm)**. We appeal to parents/guardian to keep the discussion to a maximum of **15 minutes** to allow other parents/guardian to meet the teachers and to be punctual for your scheduled timeslot.

PTC will be conducted via video conferencing (Microsoft Teams). If you are unable to access Microsoft Teams or meet via video conferencing, please contact your child's/ward's Form Teacher to make alternative arrangements.

Lunch break for teachers will be from **11.30am to 12.30pm** and video conferencing via Microsoft Teams will **end at 3.30pm** on 29 May 2026.

4. Drug Victims Remembrance Day

Since 2024, Singapore has designated every third Friday of May as Drug Victims Remembrance Day. This year, schools across Singapore will commemorate Drug Victims Remembrance Day with a series of meaningful school-based activities aimed at raising awareness of the dangers and harms of drug abuse.

As a parent/guardian, you play an important role in guiding your child/ward, including how to lead a healthy and drug-free lifestyle. Parents/Guardians who wish to find out more could refer to the Preventive Drug Education Handbook for relevant preventive drug education knowledge, how to identify tell-tale signs of drug abuse and parenting tips to engage your child/ward in conversations on drug abuse.

As a family, you could find out more about Drug Victims Remembrance Day 2026 and the harms caused by drug abuse in the link provided:

Drug Victims Remembrance Day 2026 microsite: <https://remembranceday.cnb.gov.sg/>

Additionally, we would like to encourage you and your family to visit the following exhibition to find out more about Drug Victims Remembrance Day 2026 and the harms caused by drug abuse.

The “Library of Stories, Unfinished” Exhibition will be open from 15 – 17 May (10am to 9.30 pm daily) at Suntec City Level 1 Atrium (Convention Centre). The exhibition will allow the public to learn more about the experiences of drug victims and the impact.

We appreciate parents’/guardians’ support as we collectively nurture a generation that is informed, resilient and committed to living a drug-free life. Thank you.

5. P5 Raffles Experiential Learning Day

At RGPS, we are committed to nurturing our students into creative thinkers, lifelong learners and value-based leaders. To achieve these outcomes, we provide additional learning opportunities and experiences, as we believe in maximising the potential of each RGPS girl. We encourage our students to become active participants in their own education and develop a passion and joy for learning.

We have organised workshops on Raffles Experiential Learning Day for each level to provide deeper learning opportunities. Students will record their learning reflections in their Magic Journals to track and take ownership of their development in their areas of interest.

We have designated 29 June to be the Raffles Experiential Learning Day for our P5 students. The workshop will be conducted during curriculum time.

6. P5 e-Briefing on Direct School Admission (DSA Matters)
