RGPS/N26/P6/011

4 March 2026

Dear Parents/Guardian

2026 P6 MARCH CIRCULARS

Selamat Hari Raya Aidilfitri to all who are celebrating this joyous occasion.

The upcoming March holidays will be from 16 March to 20 March, and we wish all a restful break. 23 March is a designated day off-in-lieu for schools, we will see all students back in school on 24 March to start off Term 2.

In this set of circulars, you will find the information on the following programmes. Please refer to the table below for a list of circulars which you will be receiving. We seek your cooperation to follow up accordingly and adhere to the submission dates.

If you require any clarifications, you may contact the General Office at 6468 4377 or email the teacher-in-charge as indicated accordingly.

S/N	Item	Remarks
1	PG-SCM	
2	Raffles Fiesta	28 to 30 April
3	Parenting Webinar Invitation	Refer to attached PDF
4	Traffic Advisory from SPF, LTA and RGPS	Refer to attached Joint Circular
5	Health Fair: Healthy Eating Active Lifestyle	27 March to 2 April
6	RGPS Value Ü Programme 2026	
7	RGPS Value-Able for Life Programme	
8	P6 Raffles Experience Day	28 to 30 April

Thank you.

Your Partner in Education
Mrs Elaine Quek
Principal

1. Parents Gateway School Cockpit Mobile (PG-SCM) Updates

Thank you for using the PGSCM feature to submit your child's/ward's Medical Certificate (MC) or reason for absence. We trust that this new function has made the submission process more convenient and efficient for you.

For clarity, please note that submissions made through PGSCM will notify the school of your child's/ward's absence from academic lessons only. The information does not automatically extend to Co-Curricular Activities (CCA)/ enrichment programmes as the attendance is managed separately by the teachers-in-charge of CCA and enrichment programmes.

Therefore, if your child/ward is unable to attend CCA/ enrichment programme on the same day, you are required to email the respective CCA / enrichment programme teacher(s) directly. In your email, please include:

- Your child's/ward's full name and class
- Date(s) of absence
- Reason for absence
- Supporting documents, if applicable

This ensures that the teachers in charge of CCA/ enrichment programmes are properly informed and can update attendance records accurately.

We appreciate your understanding and cooperation in helping us maintain clear communication and accurate records. Thank you.

2. Raffles Fiesta from 28 to 30 April

The school will be organising the Raffles Fiesta from 28 to 30 April. Timetable will be suspended on these three days for students to participate in a suite of exciting activities which consolidate learning in various subject disciplines in fun and engaging ways. Students will still report to school as usual.

Through the activities, we aim to broaden students' learning, provide opportunities for students to explore new interests, pursue their passions and build camaraderie.

More information on the activities and schedule will be shared with the students. We appreciate your partnership with the school in this event.

3. Parenting Webinar Invitation

Families for Life @ Community (FFLC) at Lakeside Family Services — the appointed parenting support agency by MSF for Clementi, Jurong East, and Queenstown — warmly invites you to a relaxed lunchtime parenting webinar (repeat session on Saturday morning).

Webinar Title	Date & Time	Registration Link
Not One Without the Other: When Correction Meets Connection	7 Apr (Tue), 12-1.30pm OR 11 Apr (Sat), 9-10.30am	https://go.gov.sg/lfs2026c

What you'll gain from this session:

- Discover how to build a secure emotional bond with your child that makes discipline more effective.
- Learn how to set clear boundaries with empathy and understanding.
- Find the right balance between connection and correction so your child is more likely to listen, learn, and thrive.

We hope you will make time to attend the webinar.

4. Traffic Advisory from Singapore Police Force and Land Transport Authority- Offences Committed Along Dunearn Road, Hillcrest Road, NJC Walk and Watten Rise

There have been numerous reports regarding vehicles waiting and parking indiscriminately and failing to obey traffic signs in the vicinity of Raffles Girls' Primary School near Hillcrest Road. Please be informed that LTA and Traffic Police officers will be stepping up enforcement actions. Please refer to our joint circular for more information.

5. Health Fair: Healthy Eating Active Lifestyle

Our school will be holding our annual Health Fair in **Term 2 Week 1-2, 27 March – 2 April 2026**. The fair aims to encourage students to lead a healthy lifestyle through two main areas:

- 1) be active through participation in physical activities
- 2) eat right by choosing healthy food or snack options

We will be collaborating with the RGPS Parent Volunteer Group (PVG) and external vendors for this fair to bring in healthy food options and various physical activities for the students.

Activities planned for the week

These are the activities planned for the week. All of these activities will be conducted during recesses, unless otherwise stated.

	Friday (27 March)	Monday (30 March)	Tuesday (31 March)	Wednesday (1 April)	Thursday (2 April)
Recess		Diabetes Singapore exhibition (Lower canteen)	Active Floor + Kpop dancing (Lower canteen)	Carnival booth games (Basketball court)	Sale of fruits and vegetables (by the PVG)
After school	Parent child bonding (Inline skating)				

Fruits & Vegetables Stall by Parent Volunteers during recess

We have teamed up with our PVs to bring in a wholesale vendor selling fruits and vegetables. The stall will be set up in the canteen during the recesses from 8.00-11.30am. Students will receive a copy of the fruit and vegetables purchase form from their Form Teachers on Tuesday, 31 March. To better manage the queue, we encourage you to help them plan for their purchases by ticking on the list the items they would like to buy.

If your child/ward would like to purchase the items at the Fruits & Vegetables Stall managed by Parent Volunteers on 2 April, Thursday, do allow her to **bring sufficient cash** as the items cannot be paid for using their POSB smart watches.

In support of our school's direction, Go Green and Love Earth, do encourage your child/ward to **bring along their own reusable bag** to carry the items they have bought as plastic bags will not be provided.

Sign-up for Parent-Child inline skating activity on Friday, 27 March 2026

To encourage both parent and child to meaningfully bond through the learning of a new skill, we will be collaborating with a vendor for the Parent-Child activity. The activity planned for this year will be Inline skating. The programme is open to the first 50 pairs of parent and child sign-ups. This workshop is specially for students who are new to inline skating. Do sign up for the

programme by indicating your interest via this link <https://form.gov.sg/699bb45b0e45f0376ea81cbf> by Friday 8 March:

Date/Day of the Activity: 27 March 2026, Friday

Time: 2.00pm – 4.00pm

Venue: School's sheltered basketball court

Only successful sign-ups will be notified via email by Friday, 13 March 2026.

6. RGPS Value Ü Programme 2026

The RGPS Value Ü programme will commence in Term 2, Week 1. The main objective of this programme is to encourage students to appreciate the authentic application of the RGPS values in their daily school life, while nurturing a culture of respect, kindness, and responsibility. A **Value Ü** box will be placed in every P3–P6 classrooms. Once a month, the class's Value Ambassadors (VAs) will lead a brief affirmation activity. Students will write Value Ü slips to acknowledge classmates who have demonstrated positive values that month. These slips will be dropped into the Value Ü box during the week. In the following week, the VAs will draw one affirmation slip to read aloud to the class. All remaining slips will then be distributed to the students who were affirmed. This 5-minute activity will take place during the month's **CCE-FTGP lesson**.

Apart from peers, teachers will also give recognition to students who display the school values and contribute to a caring culture by affirming their actions. Students can look forward to reading these notes of affirmation on the CCE noticeboards.

Please encourage your child/ward to participate actively in this programme to affirm and appreciate their peers while demonstrating school values. We look forward to your partnership and support for this programme.

If you have any questions, please reach out to Ms Cassandra Quek (HOD CCE) via quek_sock_cheng@schools.gov.sg. Thank you!

7. RGPS Value-Able for Life Programme

In pursuit of a holistic education that transcends academics, our school will carry out the Value-Able for Life programme. This initiative focuses on nurturing character virtues and aims to encourage Primary 3 to 6 students to embody and reflect on the core values of responsibility, resilience, integrity, graciousness and gratitude, fostering character development and building stronger connections between students, teachers, and parents.

The Value-Able for Life programme has the following key objectives:

- a. Encourage students to embrace and internalize the school's core values.
- b. Promote character development that extends beyond the classroom.
- c. Foster affirmation.
- d. Engage parents in the process of nurturing values.
- e. Utilize student reflections as valuable insights for parents and teachers.

The Value-Able for Life programme will be structured during CCE-FTGP periods once a semester for P3-P6 classes. These sessions will be led by Value Ambassadors (VAs) to inspire and encourage students to examine and reflect on the values that they espouse.

P3 – P6 students will be invited to reflect on the school value(s) that they have displayed most strongly via a take-home Value-Able Reflection worksheet. Parents/Guardians will be informed about this and are encouraged to guide your child/ward in her reflections to help her better develop positive values and embrace her good character. Parents/Guardians will write a note of encouragement / affirmation on the worksheet.

Please encourage your child/ward to participate actively in this programme. We look forward to your partnership and support for this programme.

If you have any questions, please reach out to Ms Cassandra Quek (HOD CCE) via quek_sock_cheng@schools.gov.sg. Thank you!

8. P6 Raffles Experience Day

At RGPS, we aim to develop our students into creative thinkers, lifelong learners and value-based leaders. To achieve these outcomes, we provide additional learning paths and experiences, as we believe in maximising the potential of each RGPS girl. We encourage our students to become active participants in their own education and develop a passion and joy for learning.

We have arranged workshops on Raffles Experience Day for each level to provide deeper learning opportunities. Students will record their learning reflections in their magic journals to track and take ownership of their development in their areas of interest.

We have designated 28 & 29 April to be Raffles Experience Day for our P6 students. The workshop will be conducted during curriculum time.

Workshop for Primary 6 Raffles Experience Day

The schedule for the P6 Raffles Experience Day for the respective classes is as follow:

Date (Day)	Classes	Time
28 April 2026 (Tues)	6D, 6E, 6F, 6G, 6H, 6I	During curriculum hours
29 April 2026 (Wed)	6A, 6B, 6C	

Workshop Details

Focus: STEM (Technology)

Title: Robotics

Venue: In school

Synopsis:

This workshop aims to equip students with foundational skills in coding and electronics while providing hands-on experiential learning opportunities. Through guided activities, students will engage with tools, sensors, and coding platforms to design and develop functional prototypes. The programme encourages problem-solving, logical thinking, creativity, and collaboration, allowing students to apply theoretical knowledge in practical, real-world contexts and build confidence in emerging technologies.

We look forward to your support in your daughter's/ward's development in RGPS.

If you have any queries, please contact Ms Tan Li Peng at tan_li_peng@schools.gov.sg
