1. Parent-Teacher Conference (PTC) on 29 May 2026

The school believes in the importance of maintaining a close working partnership with our parents/guardian for the holistic development of our students. To facilitate regular communication, we have established multiple channels to keep you informed of your child's/ward's progress.

We have organised Parent-Teacher Meetings for all levels at the beginning of the year to brief you on school matters. Subject teachers also used Parents Gateway (PG) to update you regularly on subject matters. Form and subject teachers might have also called or emailed you to discuss your child's/ward's growth and progress in school.

We will continue to leverage on the strong partnership with parents/guardian through our upcoming Parent-Teacher Conference (PTC) on Friday, 29 May 2026, from 8.30am to 3.30pm. All parents/guardian are invited to meet the **Form Teacher** in the upcoming PTC. Please note that students are not required to attend school on that day.

The focus of the upcoming PTC is your child's/ward's wellbeing as the welfare of our students remains of paramount importance. During this conference, you will have the opportunity to engage in meaningful dialogue with the Form Teacher about your child's/ward's holistic development. The Form Teacher is a key figure in our pastoral care system who takes the class for weekly CCE/FTGP lessons, conducts termly check-in surveys and engages in one-to-one dialogue session(s) with your child/ward. The Form Teacher will also share your child's/ward's character strengths and discuss how we can work together to support her social and emotional resilience.

You will receive an invitation via PG from your child's/ward's Form Teacher on **7 May** to book an appointment with him/her via PG from **8 May (8.00am) to 22 May (11.30pm)**. We appeal to parents/guardian to keep the discussion to a maximum of **15 minutes** to allow other parents/guardian to meet the teachers and to be punctual for your scheduled timeslot.

PTC will be conducted via video conferencing (Microsoft Teams). If you are unable to access Microsoft Teams or meet via video conferencing, please contact your child's/ward's Form Teacher to make alternative arrangements.

Lunch break for teachers will be from **11.30am to 12.30pm** and video conferencing via Microsoft Teams will **end at 3.30pm** on 29 May 2026.

As a parent/guardian, you play an important role in guiding your child/ward, including how to lead a healthy and drug-free lifestyle. Parents/Guardians who wish to find out more could refer to the Preventive Drug Education Handbook for relevant preventive drug education knowledge, how to identify tell-tale signs of drug abuse and parenting tips to engage your child/ward in conversations on drug abuse.
